

Vicki Tillman is a visionary force in her local community; her mission is to advance God's kingdom by investing in people. She serves as a life and career coach, counselor and homeschool mom for 20+ years.

Vicki has been on of the 7SistersHomeschool.com team since its inception. She serves as head of the blogging team and curriculum developer.

A member of the 2:1 Conference blogging team, Vicki has been contributing home-schooling blog posts since 2013. She and her team from 7Sisters led a mentoring session at the 2016 2:1 Conference and are sponsors of the event.

Vicki's homeschooling career includes home educating her 5 children through graduation. (Four have graduated college, one is a junior.) She helped found the largest homeschool umbrella school in Delaware. There she served as upperclassmen advisor for 18 years, guiding teens through career exploration and life preparation (and teaching them psychology, human development, critical thinking, creative writing and more).

Vicki has served her community as a nationally certified counselor, life and career coach since 1996 at Pike Creek Psychological Center. This year she launched her own website to facilitate the coaching: VickiTillmanCoaching.com.
